A Message From the East

September Lodge Events

Greetings from the East

I would like to congratulate Brother Micheal Salibi on becoming our newest Entered Apprentice Mason Tuesday, August 19th.

Thank you to the Brothers from the Hesperian Lodge, Miles Robinson, Christen Broce and Ed Hass for helping during the degree. I should also Mention that everyone that participated in the degree did a great job!

In the months of October and November we will be hosting our annual BBQ for Avid and the Arroyo Garnde High school Robotics Team so check the lodge calendar for the dates! We Would like to see as many Brothers at the Lodge as possible.

As usual we continue to meet every Tuesday down at the Lodge, so please show up around 6:30 pm for a cup of coffee and great conversation.

Faternally,
Wor. Dave Murray, PM

From the West

A little less philosophical this month and a little more practical. As we begin the transition from Summer's pleasures to Fall's responsibilities, we need to begin to look ahead at what Central Coast Lodge will be in 2026.

The Lodge has been blessed with the influx of returning and new Masons who are looking to become active in the brotherhood. I believe that this may be the start of a wave of new ideas and new life for us. I want to encourage all of the members of the Lodge to start thinking about things that will help us to breathe new life into our humble little group. Any idea can be a good one but, if we keep it to ourselves, it will never get the chance to be a great idea. If you have an idea to promote the Lodge talk to Dave or myself and let's, see if it can become a great idea.

As Worshipful Murray announced at the Stated Meeting in August, we need to begin to set up the line of officers for next year. Dave and I will remain in the same positions for 2026, and we need to know who will be willing to serve as officers and what positions they would like to hold. If you are looking to advance to a new office next year let us know. I am hopeful that some of our regulars will be looking forward to progressing in the line.

Looking forward to Fall, we have two bar-b-ques on the schedule already. The first will be October 11th, which will be for the Avid class that we have done regularly for a number of years. The second will be for the AGHS Robotics team on November 8th. The one that we did for them in the Spring of last year was so successful that they want to do a repeat to help raise funds for the 25-26 competition season.

Finally, thank you my Brothers for all that you have done for Central Coast Lodge. It's great to see us active again and let's keep moving forward.

Sincerely & fraternally,

Zack
Senior Warden

From the South

Greetings Brethren

Greetings Brethren. I hope all of you have had a good summer and are not being impacted by the current wild fires.

I have been working hard to clear out the vault storage area. Files that we decided to keep will be moved to an upstairs storage closet.

The lodge has recently been rented to the Scottish Rite and the Five Cities Shrine Club. It is good to see both groups increasing their activities. I'm glad we are able to support them.

We also voted recently to become a sponsor of the San Luis Obispo Veterans Museum. Our Lodge will be the first local Fraternal Organization or service club to do so. I am proud that we are supporting our veterans who have served us so well.

Food for thought, if less may be more. Should Stated Meeting dinners be once per quarter rather than once a month? This change may improve our current attendance and would reduce the workload and stress on those who take care of all the effort in preparing the monthly dinners. It would also reduce expenses. Comments welcome. Thank you.

Brother Jeff Massingham
Jr. Warden & Lodge Manager

From the Secretary's Desk

Brothers

Thank you for the opportunity to serve as your Secretary for the remainder of the year. I will do my best to keep things in order and do the job expected of me.

On another note, It has been suggested that we don't show a movie on 'Cook Yr' Own and a Movie night. This would make the evening shorter and might help with attendance. Please let me know what you think...
