**From the West**

**Greetings Brothers,**

April is near and I'm hoping for a few more showers that it's supposed to bring us May flowers. It's always fun for us around here when we have rain like we had earlier, we get that fun super bloom. Nature's way of reminding us of just what she is capable of.

So, no real wisdom this month, just a plug for our leadership retreats. I'm tentatively planning on attending the retreat in Irvine this year. It looks like Grand Lodge has made some significant changes since I last went and I would really like to see what the new format is like. The idea of having specific things for each of the Lodge officers sounds interesting and I hope will encourage Brothers to understand what their duties are as officers.

Something new this year, Learning Labs. A series of small, skills-based sessions that will provide practical instruction on the systems officers use every day. These sessions will run 10-20 minutes, and each is going to offer help on topics like:

- Navigating suspensions
- Running financial and membership reports
- Building newsletters in iMmeber

They will be providing laptops for those who register onsite and at the retreats so you won't need to bring your own, and space will be limited on these Labs.

All of this and a lot more. The Lodge has made money available in this year's budget to send someone, and I would encourage you to attend.

**J**oin us on the 3rd Friday of the month for 'Cook Yr' Own and a Movie!' Bring what you want to throw on the Bar-B-Q and we provide the sides!

The fire is ready by 6:00 PM and the movie starts at 7:00 PM. Bring your Lady, friends and adult beverages. It's all good!
